## *The New VARESE Composite Door Range*

*Welcome to the luxurious, all-new extension of Virtuoso's contemporary range of composite doors: The VARESE.*

The new standard in designer composite doors has arrived. The VARESE has a superior look and feel with a deeper groove giving a higher quality finish.

While original composite doors have 12 basic panels, the VARESE Composite Doors features 8 sleek panels with enhanced grain definition. Mid panels feature a book-match design for improved aesthetics.

A Virtuoso VARESE door offers security, warmth, and resilience, with stunning beauty. Precision-engineering delivers incredible accuracy and unrivalled quality.

# The *VARESE Range*

With its contemporary linear etched detailing, the VARESE is a stunning door available glazed or as a solid door option.

## Why Virtuoso

*Virtuoso Doors has always been a byword for quality, service and reliability, and whilst it operates independently, being part of a bigger fenestration group has enabled us to develop to where we are today.*

A door shouldn't be just a door, it should be the security of a building, part of its kerb appeal, its interior warmth and its resilience. That's why a Virtuoso door is different – because we've been crafting our doors to deliver only the finest entrances for 40 years.

Virtuoso Doors manufactures high-end GRP Composite Doors and PVCu infill panels, and has grown with a reputation for quality born out of experience and the excellence of our products. Operating from our 120,000sq.ft. state-of-the-art manufacturing facility in Gateshead and employing over 120 highly skilled people, Virtuoso Doors has grown into one of the industry's largest and most respected manufacturers.

The perfect combination of cutting-edge precision engineering and expertise means Virtuoso doors have incredible accuracy, stunning detailing and unrivalled quality. It's Crafted Precision and it's built into every door we've made and how we'll always make them.

We have one of the largest composite door ranges available, with colour options to suit any taste, for any door and on any home. With more than 80 doors complemented by different configurations of glass, door furniture, styles and frames, there are over 80,000 combinations to choose from. Once you've made your choice, simply send your completed design – it couldn't be easier. Just tap into our handy Virtuoso postcode search tool to find your nearest available Stockist or Installer and they'll take it from there. And with the support of our expert sales, technical and customer service teams, it's easy to see why Virtuoso is the Installers' choice.

**It's Crafted  
Precision, and it's  
built into every  
door we make.**

## Colour Match

All our VARESE doors can be painted with any RAL colour in our state-of-the-art paint studio. To order any of the featured colours seen in the brochure, please specify the colour name and RAL code in the notes section in the gateway when ordering

■ Colours are as accurate as the printing process allows. Due to the hand painting and staining process, we can't guarantee an exact colour match between the door and the external door frame.

# Design a Door

*A Virtuoso door is a beautiful addition to your property, but with our 'Design-a-Door' tool, you can choose the style, colour and hardware to create a Virtuoso door that's uniquely yours. Simply visit [virtuoso-doors.co.uk](https://virtuoso-doors.co.uk) and select the Design-a-Door portal, you'll discover a multitude of possibilities in just a few clicks.*

The process is easy too. Once the door has been configured, simply email it to your Installer for a quote and ordering. If you don't have an Installer, simply visit the Virtuoso Installer/Stockist postcode search tool at [virtuoso-doors.co.uk](https://virtuoso-doors.co.uk) to find a professional in your area.

Simply scan the QR Code with your smartphone's camera or visit [virtuoso-doors.co.uk](https://virtuoso-doors.co.uk) to get started.

## Making everything simple

From deciding on the orientation and designing your perfect door in our Design-a-Door tool, to the point of placing your order through your chosen Installer, our dedicated and committed team is on hand to ensure you're kept informed along the way until your perfectly crafted Virtuoso door is installed at your home.
